Instant Discounts for Food Service Program FAQs

- 1 Who qualifies for PPL Electric Utilities' Instant Discounts?**
All PPL non-residential customers qualify.
- 2 How does the PPL Instant Discounts for Food Service Program work?**
When you purchase qualified food service equipment from a participating distributor, the cost of the items will be instantly reduced by the predetermined value of the specific product.
- 3 What equipment is eligible for the PPL Instant Discounts for Food Service Program?**
ENERGY STAR® certified equipment that is included on our approved list is eligible. Consult a participating distributor to see what equipment they can offer.
- 4 Where do I find participating distributors?**
A list of participating distributors is available on the program website at ppllectric.com/businessrebates.
- 5 What do I need to provide to the distributor to receive the instant discounts?**
You will need to provide your PPL Electric Utilities account number to the participating distributor along with contact information and the physical address where the product is being installed.
- 6 Can I install the food service equipment myself or do I need to use a contractor?**
You may do either. If you hire a contractor to do the work, the contractor can make the purchase at the distributor for you. The distributor would then provide your contractor with the new equipment at the reduced price.
- 7 Can equipment be replaced before it fails?**
Yes. We encourage early replacement of outdated equipment with new energy-efficient products.
- 8 Can purchases using instant discounts be used for spares or stock?**
Spares or stock purchases are not eligible. Installation at the specified location is required within 90 days of purchase.
- 9 Can items purchased using the PPL Instant Discounts for Food Service Program be submitted for additional incentives?**
No. Food service equipment that receives Instant Discounts may not be submitted for additional incentives through the PPL Business Energy Efficiency Program.
- 10 Can the PPL Instant Discounts for Food Service Program be used for new construction?**
Yes. Qualified food service equipment can be used for new construction or retrofit.
- 11 Can I use the PPL Instant Discounts for Food Service Program more than once?**
Absolutely. We understand that there are many reasons why you might choose to purchase over time. Feel free to return to the program again until all your food service equipment has been upgraded to energy-efficient models.
- 12 Will someone follow up on my food service equipment installation?**
It is possible that customers will be contacted by a representative of the PPL Instant Discounts for Food Service Program or a third-party evaluator to verify installation is complete. This may be done through phone and/or on-site visits.
- 13 How do I know if the PPL Instant Discounts for Food Service Program is the right program to use?**
Review your options with your selected distributor or contact our program team at 1-866-432-5501 or PPLBusiness@cleareresult.com. A program representative will be happy to help you determine the right choice for you and your business.
