Products and pricing subject to change and based on distributor availability. Incentive levels are effective beginning 6/1/22 and are reviewed on a regular basis. Please check website for current listings and Terms and Conditions. Products must be installed within 90 days from purchase date. End-use customers may be contacted for an on-site or phone verification and also receive notification informing them of program participation. Program availability and incentive levels subject to change and/or termination without prior notice. Rebates and discounts offered to customers are subject to program eligibility requirements. The costs of energy efficiency programs are recovered through customer rates in accordance with the Pennsylvania Act 129 of 2008. PPL Electric Utilities assumes no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.

Instant Discounts for Agriculture Program FAQs

- 1 Who qualifies for PPL Electric Utilities Instant Discounts?**
All PPL Electric Utilities non-residential customers qualify. If you are an agricultural customer on a residential account, please reach out to the program team to discuss participation.
- 2 How does the PPL Instant Discounts for Agriculture Program work?**
When you purchase qualified agriculture equipment from a participating distributor, the cost of the items will be instantly reduced by the predetermined value of the specific product.
- 3 What equipment is eligible for the PPL Instant Discounts for Agriculture Program?**
Equipment that is included on our approved list is eligible. Consult a participating distributor to see what equipment they can offer.
- 4 Where do I find participating distributors?**
A list of participating distributors is available on the program website at pplelectric.com/businessrebates.
- 5 What do I need to provide to the distributor to receive the Instant Discounts?**
You will need to provide your PPL Electric Utilities account number to the participating distributor along with contact information and the physical address where the product is being installed.
- 6 Can I install the agriculture equipment myself or do I need to use a contractor?**
You may do either. If you hire a contractor to do the work, the contractor can make the purchase at the distributor for you. The distributor would then provide your contractor with the new equipment at the reduced price.
- 7 Can equipment be replaced before it fails?**
Yes. We encourage early replacement of outdated equipment with new energy-efficient products.
- 8 Can purchases using Instant Discounts be used for spares or stock?**
Spares or stock purchases are not permitted. Installation at the specified location is required within 90 days of purchase.
- 9 Can items purchased using the PPL Instant Discounts for Agriculture Program be submitted for additional incentives?**
No. Agriculture equipment that receives Instant Discounts may not be submitted for additional incentives.
- 10 Can the PPL Instant Discounts for Agriculture Program be used for new construction?**
Yes. Qualified agriculture equipment can be used for new construction or retrofit.
- 11 Can I use the PPL Instant Discounts for Agriculture Program more than once?**
Absolutely. We understand that there are many reasons why you might choose to purchase over time. Feel free to return to the program again until all your agriculture equipment has been upgraded to energy-efficient models.
- 12 Will someone follow up on my agriculture equipment installation?**
It is possible that customers will be contacted by a representative of the PPL Instant Discounts for Agriculture Program or a third-party evaluator to verify installation is complete. This may be done through phone and/or on-site visits.
- 13 How do I know if the PPL Instant Discounts for Agriculture Program is the right program to use?**
Review your options with your selected distributor or contact our program team at 1-866-432-5501 or PPLBusiness@clearesult.com. A program representative will be happy to help you determine the right choice for you and your business.
