Instant Discounts for HVAC Program FAQs

- 1 Who qualifies for PPL Electric Utilities Instant Discounts?**
All PPL non-residential customers qualify.
- 2 How does the PPL Instant Discounts for HVAC Program work?**
When you purchase qualified equipment from a participating distributor, the cost of the item will be instantly reduced by the predetermined discounted value of that specific equipment. Purchase price, minus the discount, equals the discounted purchase price.
- 3 What types of HVAC equipment are eligible for the PPL Instant Discounts for HVAC Program?**
 - Ductless mini-split heat pumps
 - Air source air conditioners and heat pumps
 - Packaged terminal air conditioners and heat pumps
- 4 Where do I find a participating distributor?**
A list of participating distributors is available on the program website at ppllectric.com/businessrebates.
- 5 Can I purchase equipment using the Instant Discount and then submit an application for an incentive?**
No, if you choose to use the Instant Discount, then your project is not eligible for additional incentives using the regular incentive process.
- 6 What will I need to provide to the distributor to get the Instant Discount?**
You will need to provide your PPL Electric Utilities account number, the name and address of the business where the equipment will be installed, and some contact information.
- 7 How do I know if the PPL Instant Discounts for HVAC Program is the right incentive program to use?**
Review your options with your contractor or selected distributor or contact our program team at 1-866-432-5501. We will be happy to help you determine the right choice for you and your business.
- 8 Are new construction projects eligible to receive these incentives?**
Yes, new construction is eligible for the Instant Discount.
- 9 Can I purchase equipment for future needs using the Instant Discount?**
No, all equipment sold using this program must be installed within 90 days following the purchase.
- 10 Can I use my own contractor to install the equipment?**
If you hire a contractor to do the work, the contractor could make the purchase at the distributor for you. They would need your PPL Electric Utilities account number, the name and address of the business where the equipment will be installed, and some contact information. The distributor would then provide your contractor with the new equipment at the reduced price.
- 11 Will there be an inspection of my project?**
It is possible that customers will be contacted by a representative of the PPL Instant Discounts for HVAC Program or a third-party evaluator to verify installation is complete. This may be done through phone and/or on-site visits.
- 12 Can I use the Instant Discounts for HVAC Program more than once?**
Absolutely. We understand that there are many reasons why you might choose to purchase over time. Feel free to return to the distributor again.
