

# Ready to Start Saving?

Bring this information with you at point-of-purchase:

- PPL account number
- Installation business name
- Installation address
- Contact name and number

For larger projects, we can help you plug into more savings and rebates.

To make sure your recent lighting project was completed to our high standards, we may follow up with a phone call and/or a quick verification visit.

Contact us at **866-432-5501** or **PPLEUBusinessSavings@pplweb.com** to get started.

Products and pricing subject to change, and based on availability. **Incentive levels are effective beginning 1/1/2020 and are reviewed on a regular basis.** Please check website for current listings. Products must be installed within 90 days from purchase date. End-use customers may be contacted for possible site verification visit and also receive notification informing them of program participation.

Program availability and incentive levels subject to change and/or termination without prior notice. Rebates and discounts offered are subject to customer meeting program eligibility.

The costs of energy efficiency programs are recovered through customer rates in accordance with the Pennsylvania Act 129 of 2008. PPL Electric Utilities assumes no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.

# Rebates Without the Wait

## Got a small project? We have big rebates.

Through our Distributor Instant Discount Program, you can receive instant business rebates toward energy-efficient lighting projects at point-of-purchase. There's no paperwork and no wait.

**Welcome to the fast lane.**

**SAVE NOW**
